This is an agreement (the "Agreement") between you as a user of the Service ("you", "your") and Time Out Market Porto, Lda., registered in Portugal under company number 513908439, ("Time Out Market", "we"), for access to wireless broadband services and features (the "Service").

This high speed internet access Service is being provided by Time Out Market and its underlying service providers (the "Providers").

The Service is provided by Time Out Market free of charge.

As a condition for accessing this service, you must agree to the following terms and conditions of use ("Terms of Use"). If you do not agree to the Terms of Use you may not access or use the Service.

Service Availability

An 802.11b/g and/or Ethernet compatible computer, card, and/or device ("Unit") are required to enable you to use the Service to operate. You are responsible for ensuring the compatibility of your Unit with the Service.

The availability and performance of the Service is subject to all memory, storage, and other limitations in the Unit. The Service is available to your Unit only when it is within the operating range of our system and/or directly connected.

Service is subject to availability, and Time Out Market does not warrant that access to or use of the Service will be uninterrupted or error free. The Service may be unavailable at times (including due to emergencies, collocation failures, transmission and equipment limitations, or maintenance and repair, and any other reason beyond Time Out Market's reasonable control) and may be interrupted, refused, limited, or curtailed.

We are not responsible for data, messages, or pages that you may lose or that become misdirected because of interruptions or performance issues with the Service or wireless communications networks generally.

We may impose usage or Service limits, suspend the Service, or block certain kinds of usage at our sole discretion to protect users, our business or the public generally, or if you are in breach of any term of the Agreement.

Network speed is no indication of the speed at which your Unit or the Service sends or receives data. Actual network speed will vary based on unit configuration, compression, and network congestion.

Accordingly, you agree that neither Time Out Market or the providers shall be liable for any interception of transmissions, loss of data, file corruption, hacking or damage to your computer or network that results from the transmission or download of information or materials through the Service.
